OXFORD
INDUSTRIES

"FRS has been very reliable, cost-effective and time-efficient source for the receiving of overseas goods, quality control, repairing and repackaging of apparel products for my company. I have experienced very professional and high integrity relationships with the owners and employees of Floor-Ready Services. It has always been a valued asset for me to know that I have access to such a reputable company to help with the stress of bringing our product to the highest level of quality we can provide to our customers."

-Ms. Janet Skaggs- Quality/Compliance Manager
Oxford Collections/Li & Fung USA

"After six years of working with FRS, we regard this company as an integral part of our team. We're grateful to have a personal labor force and processing partner that handles a myriad of services required to make our merchandise "floor-ready".

All projects are completed on time and to or beyond our expectations."

-Mr. Joe Long- Director of Distribution
Modell's Sporting Goods
